Quilts and Tales

Escape under your favorite quilt and allow yourself to unwind with a novel. This new 12 month event couples novels with quilts. Twelve novels, carefully chosen are the works behind the quilts. Novels range from historic dramas to mysterious thrillers and even funny stories to keep you in stitches. Each month for twelve months, a quilt pattern will be designed exclusively to go along with the plot and theme of the novel.

Quilts will be a nice snuggler size around 60" X 72".

In the middle of every month you will receive a novel, the pattern and the fabric to complete the quilt top for just \$135 + shipping and handling.

If, for any reason, you wish to pass on a month you can just use a Renewal Notice. Give us your Claudette McLean renewal notice prior to the end of the month and we hold your next month.

PLUS, with your paid enrollment of \$25 you will receive a FREE Lori's Country Cottage tote bag to carry your project and your novel with you.

You will get three Renewal Notices.
